Robert Kravitz

Global Risk Management

Millions of dollars are lost every year because most businesses simply do not have the in-house expertise to evaluate workers compensation experience rating. President of Global Risk Management, Robert Kravitz has been with Global since its inception. Robert's father, Phillip Kravitz launched Global Risk Management(www.wcsaved.com) in 1993 shortly after selling Calvin Miller (one of the nation's top 20 insurance brokerage firms).

Located in Fort Lee, New Jersey, Global Risk Management specializes in workers compensation experienced mod review, payroll auditing and claims management. Global offers its services nationwide and has recovered millions of dollars in overpaid premiums for the insured.

They go back as far as seven years to recover money from your policy. One of their mantra's describes it well, "New money from old policies." Robert has been on News 12 NJ and News 12 Westchester discussing the insurance marketplace and the success of Global Risk Management.

In addition to Global Risk Management, Robert is the co-founder of a New York based production company, CO-OP that launched in 2003.

Robert, is on the board of the Atlantic Theater Group (founded by David Mamet and William H. Macy). He is also a member of the Friars Club in NYC for over 15 years. Robert, his wife Susan and son Philip Lawrence Kravitz II reside in New York City. 212-500-5600 bobkravitz@co-opnyc.com
