“From Success to Significance”

Your Front Row Seat

Black Tie International evokes thoughts of style, elegance, fashion, performance cars, jewelry, gourmet food, star-studded events, charitable causes and first class venues. The pages of Black Tie International takes it's readers to the finest resorts and galleries around the world, while offering insiders a look at celebrity lifestyle profiles and features on promising newcomers.

Providing a front row seat to the world's biggest formal and celebrity events, Black Tie International delivers high net worth individuals to it's advertisers by being a welcomed part of their social scene.

Black Tie's appeal is to the sophisticated, brand savvy, highly mobile customer. An individual with high personal expectations who expects no less from the people they associate with. Black Tie readers are the tastemakers, the early adapters, the trendsetters, well dressed, well traveled men and women of social status and influence
