### Exclusively Yours: The New Shakawa Lodge & Game Reserve; The Perfect, Private Retreat for Family, Friends, or Colleagues.

Deep in the midst of South Africa's lush, verdant wilderness, in Limpopo Province, lies Shakawa Lodge & Game Reserve. A totally secure, private retreat with six luxury suites, accommodating up to twelve discerning guests. With the highest standards of civility and confidentiality.

Since the estate is rented in toto, you are in complete control. Go for a swim. Sleep in. Enjoy a spa day. Sharpen your eye target shooting. Learn archery. Dine early, or late. Relax with a movie. Even e-mail your safari photos to friends back home. (But for the best game viewing it's best to start at dawn, well before the animals seek shelter from the mid-day sun.)

To learn more about this great escape, visit our website, then e-mail or call for our free DVD which conveys some of the excitement that surrounds Shakawa. By the way, Shakawa means 'peaceful haven' in the local dialect. And now you're about to find yours.
