

SEND YOURSELF FIRST CLASS.

Compare PlaneSense fractional ownership; the affordable alternative to the airlines.

PlaneSense guarantees you access to a professionally piloted, Swiss-crafted

Pilatus PC12 turboprop, for a fraction of its cost. Just select a share – *as little as an eighth* – that fits your company's needs.

PlaneSense® is a service of Alpha Flying, Inc. One Garside Way, Manchester, NH 03108

PlaneSense handles everything, so just call eight hours in advance and tell us where to go. *It's that simple.*
