Esther and Anna

Anna Malova, the international spokesperson for Chopard USA Limited, has just completed a whirlwind year of appearances and new store openings.

We at Blacktie have always been very fond of Anna, she has great charm and personality. She was Miss Russia a few short years ago, and she is a great cultural ambassador for the Russian Federation, bringing a great sense of style and humor to events.

Anna graduated from medical school in Moscow, is a skilled gymnast, and we are looking forward to seeing her as "Sister Blond" in the new movie "Vodka Rocks"
