

You Are What You Project

At APC Your Natural Beauty Shines Through

Debra Coldwell, a business woman with a very active social calendar, would like to share her time saving personal beauty secret with you. "I awaken in the morning as fresh and beautiful as when I went to sleep. My secret is Permanent Makeup that allows me the freedom and convenience to start my day with no effort, whether I am at yoga, tennis, jogging, out for a swim, running errands or meeting the girls for lunch. My makeup is always fresh and in place. I never have to apply or reapply it. It does not smear or disappear".

My friends ask me how I always look so great. I smile and say: "Good genes", but now I have shared with you my secret, which has greatly increased my confidence knowing that I always look my best.

My permanent makeup experience was in West Palm Beach with Advanced Permanent Cosmetics / APC Beauty, with Julia Watson personally. She is Board Certified, experienced and a very talented permanent cosmetic professional. She has years of expertise in designing facial features and her artistry and keen eye for perfection are reflected in the beauty of all her work.

What I like about APC is that they do not follow cosmetic trends, simply said, they create classics. The key is having the makeup done to a minimum and having it done by an artist who has a true talent for enhancing facial features. All APC enhancements are done in a private and relaxed atmosphere.

If this is something you are interested in, remember the name Advance Permanent Cosmetics and you too will be happy with the end results!

Look your BEST, Mornings, afternoons and evenings. Julia Watson has perfected the art of "Permanent Makeup". Julia's artistry and her advanced coloring techniques allow coloring eyebrows down to the hair stroke, making them look three-dimensional and even more natural than eyebrows done in pencil. The same applies to lips and eyes.

Julia Watson, Beauty Consultant and Founder of Advanced Permanent Cosmetics / APC Beauty in luxurious Palm Beach, has been in the glamour and fashion spotlight her entire life. She has been having makeup success in the United States and in Russia.

Julia's work is impeccable, luscious and always tastefully done. If You are ready to start LOVING the Way You Look from the moment you wake up in the morning, please call her at 561 267 0521.
