Composer Scott Frankel with the Legendary Documentary filmmaker, Albert Maysles

National Arts Club President, Alson James

Legendary documentary filmmaker Albert Maysles, who along with his late brother created the original film “Grey Gardens” was honored along with the creative team of the Broadway musical: librettist Doug Wright, composer Scott Frankel, lyricist Michael Korie, and director Michael Greif. The evening was directed by Joel Vig. Tributes, stories and songs from members of the cast, the design team, and surprise guest stars gave rare behind the scenes glimpses into the Broadway experience.
