Lenox Hill Neighborhood House hosted its annual spring gala dubbed "The Time of Your Life" and sponsored by Rolex Watch USA. The House raised over one million dollars to help those in need, who live, work or go to school on Manhattan's Upper East Side.

The evening began with cocktails and hors d'oeuvres for almost 1,000 guests at the Seventh Regiment Armory. They previewed the Spring International Art and Antiques Show produced by Wendy Management. The splendid night continued with dinner at 40 highly stylized tables, with original table decorations created by top designers to reflect different interpretations of the evening's theme. Lighthouse International's President and CEO Tara Cortes, PhD, RN, was front and center greeting guests such as Joan Rivers, Kim Cattrall, Sasha Lazard, Rita Gam and Jamie deRoy. Vintage shoppers got a first hand look at over 30,000 donated items of the city's new and gently used women's, men's and children's garments and accessories, including those from the closets of such trend setters as Lauren Bacall, Gloria Vanderbilt, Grace Mirabella and the late Nan Kempner.

The 5-day sale drew in more than 5,000 serious shoppers young and old and raised a whopping \$700,000 to help the 102 year old Lighthouse International enable people with low vision and blindness to enjoy safe, independent and productive lives. Bravo to the army of volunteers who worked a full year collecting, organizing, pricing, displaying, marketing and selling the merchandise. For more information please visit:
