The Salvation Army, with the generosity of long time friends and supporters, celebrated their success with 35 years of tradition. Majors Charles and Sharon Smith, along with Nancy Sexauer-Walsh-Grand Honorary Chairman, greeted guests and ushered them into the reception room; where they participated in a "Silent Auction" and enjoyed Christmas carols sung by the Forest Hill High School choir "Dimension 20". Also on hand, lending their support and assistance, were the ROTC Cadets from Palm Beach Gardens High School.

Each year the Christmas Ball allows us to continue the tradition of serving the community with all proceeds supporting local Christmas programs; providing toys, clothing and treats to more than 1,700 needy children and assistance to more than 2,500 families in Palm Beach County. We are also able to supply holiday gifts to Nursing & Detention homes and correctional facilities.

Without the compassion and concern of our donors, patrons, friends and neighbors The Salvation Army simply would not be able to provide the many services offered on a daily basis.

We truly appreciate and would like to sincerely thank everyone who helped make this event a complete success. For more information please visit:
